## BIG SHOOT AT TWIN FALLS, IDA.

Forty-nine Entries Made at  
Idaho State Annual Tourna-  
ment—Women's Champ  
Shoot Held.

Twin Falls, Idaho, June 15.—The annual tournament of the Idaho State Sportsmen's association, held here this week, broke all previous records and traditions of the association in the number participating, the attendance, good feeling and general results. There were forty-nine entries for the shoot this year, as against eighteen last year. Of the number this year, twenty-five had never before taken part in the trap shoot. Nine towns were represented, as follows: Spokane, Salt Lake, Boise, Twin Falls, Burley, Jerome, Wendell, Elmer, Buhl. One of the remarkable points in this year's record was the fact that half of the men shot 90 per cent perfect.

**Women Have Shot.**  
A women's championship shoot was held on the first day, in which Mrs. Nellie Bennett of Twin Falls won first prize, breaking twenty-four out of twenty-five birds; Mrs. E. C. Grice of Boise won second, with twenty-two out of twenty-five, and Mrs. O. Jones, also of Boise, won third, with twenty-one out of twenty-five.

Through the courtesy of R. B. King, manager of the Great Shoshone & Twin Falls Water Power company, three big flood lights were installed on the grounds to enable the men to hold an evening shoot by electric light.

There was a large attendance at every shoot and unusual interest shown generally in the event. Moving pictures were taken at various times during the tournament by A. R. Anderson of the Orpheum moving picture theater in this city, and these will soon be shown in Twin Falls and other cities in the state.

ninth-inning rally today and drove Russell off the mound, winning the first game of the series here, 2 to 1. Russell was hit hard throughout the game, but sensational fielding by Weaver, Schalk, Felsch and J. Collins held the world's champions back until the last inning, when four bunched hits, with a sacrifice coming between, decided the game.

Leonard pitched consistently and kept Chicago's hits scattered. The local were saved from a shutout when Weaver was hit by a pitched ball, and scored on a sacrifice, and infield out and Jackson's single.

Cleveland, Ohio, June 15.—Cleveland defeated New York, 3 to 2, in ten innings, Graney scoring the winning run on his base on balls, Turner's sacrifice and Speaker's hit. Prior to the tenth all the runs were scored as a result of extra-base hits.

The game was the noisiest ever played here because of the presence of 3000 members of the Electrical league equipped with scores of electric horns, gongs and thousands of megaphones.

**BEAVERS WIN FROM TIGERS**

Southworth Brings Victory for Portland With Line Single to Center.

Portland, Ore., June 15.—Billy Southworth settled a sizzling battle between the Beavers and the Tigers today, when he cracked a line single into center field in the ninth, with two men down and the bases full. He brought Fisher home and won the day for Portland, 4 to 3.

Spaas was used at third and Stump at short for Portland and these two worthies misbehaved badly at the start. Except, the Tigers probably would have been handed a nifty little shutout.

**OSCAR HORSTMAN BESTS THE SEALS**

Strikes Out Nine Men and Walks Two—Angels Win 2 to 0.

Los Angeles, June 15.—One lone home hit, a single in the sixth inning by Steen, was all the Seals could get off Oscar Horstman today, and the Angels won their second game of the series, 2 to 0. This is the same Horstman that Manager Chance early in the season was firing on sending to the Arizona league for more seasoning, but it's safe to bet he stays right here now. After singling in the sixth, Steen stole second. He took a big lead off the bag and a moment later was caught by Horstman's quick throw to McLarry. Bill was engaged past endurance and grabbing a handful of dirt threw it in Finney's face. Ed promptly put him out of the game. Coffey got to second in the second inning by a walk and a steal, where he and Steen were the only Seals to get that far. Horstman struck out nine men and walked two. The Angels won in their half of the sixth on a ripple by Ellis. Coffey's slow

work on handling Koerner's grounder and McLarry's single, this combination with a sacrifice gave Los Angeles two runs. Manager Wolverton was also put out of the game in the seventh for crabbing about the Steen decision.

The game starts at 3:45, Salt Lake time. San Francisco, June 15.—Just before the 5 o'clock whistle shrieked an end to the day's labors in Oakland today Mr. Hard Luck Bird, who has been camping on the trail of the Oaks for these many weeks, gave an extra flip of his tail feathers, affixed one baneful glance on the cellar champs and the cracking process that ensued sent the shivering fans to their homes with another defeat chalked up against the boys.

Doc Otis Crandall, one-time pride of New York, the man with the personality, if not with the pitching ability, after heaving unblemished ball for seven innings, fell a victim to the common Oakland malady and, aided and abetted by divers errors, allowed the Salt Lakers to run out their string, 6 to 4.

**KID IRISH KNOCKS OUT JESS DAY**

Eureka, June 15.—Kid Irish of Salt Lake knocked out Jess Day of Richmond in the twelfth round of their battle here. The fight was favorable to Day until the tenth, when he began to show signs of wear, and Irish won the tenth, eleventh and twelfth, finishing with the k. o. in the latter. The fight was scheduled for fifteen rounds.

Irish fought cautiously in the earlier rounds, but plied his well-known left hook with vigor. Day appeared to have worn himself out when the tenth rolled around, and thereafter the Salt Lake man steamed up.

The battle was witnessed by the largest crowd that ever attended a ring contest in Eureka. Gus Certile and Bryan Barker went four rounds to a draw in the first preliminary. Dick Ivey and Joe Certile arrived at the same conclusion in the second preliminary, which went five rounds.

## HOW ABOUT FISHING? SEASON OPENS FINE

At three o'clock Thursday morning the fishing season for Utah went into effect and fishermen cast their lines in the various streams. Just how many there were in Ogden river and its tributaries cannot be said, but it is safe to say that there was quite an army. At least, in most places, there appeared to be more men than "fish out of water."

Many automobiles and other vehicles passed through Ogden canyon on Wednesday evening, as a matter of "preparedness" for the drive on the speckled beauties at the hour of "Three" the following morning. Those who have reported on the time of beginning say it was about "Five" o'clock before they had an opportunity to cast their lines, and it is certain, of course, that they would not infringe on the state law by "fishing" earlier than "three."

It would not be fair to disclose the whereabouts of "good fishing holes" on Ogden river this early in the season, and it is possible that the divulgence should not be made at all, but, nevertheless, there are a few places along the stream where the "catching" will be good. Even as early as Thursday morning a goodly number of trout were found flirting with angle worms, to the sorrow of the fish, as good catches were made.

In the past two years 400,000 trout fry were planted in Ogden river and its tributaries, and it is said that perhaps 200,000 should be large enough for the pan. It is up to the expert fishermen to make good, and demonstrate how well they can perform the duty of taking at least ten per cent of them from the stream.

It is an old saying that "there are just as good fish in the sea as has ever been caught," and the adage applies equally forceful to Ogden river. It will be expected that Ogden fishermen will bring home some of the large fellows of the water and they will also catch in large numbers.

Ogden dealers are carrying the best lines of fishing tackle, so the man who fails in his catch cannot say he did not have the right kind of outfit for the sport.

Deputy Fish and Game Commissioner A. H. Moyes declares that fishing this year will be good. The season continues until November 15.

I want a slogan," said the manufacturer of phonograph records. "Something that will convey the idea that our records never wear out."

The advertising man lit a fresh cigarette and thought for eight, seconds by the clock.  
"How will this do?" he asked. "One of our dance records will outlast the best hardwood dancing floor ever built."
